Attorney Docket No. 103657-38 EAR :

**OFFICE OF PETITIONS**

**ON PETITION**

This is a decision on the petition under 37 C.F.R. § 1.137(b), filed July 15, 2005, to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to submit the issue fee and publication fee in a timely manner in reply to the Notice of Allowance mailed December 21, 2004, which set a statutory period for reply of three (3) months. Accordingly, the above-identified application became abandoned on March 22, 2005. A Notice of Abandonment was mailed on June 13, 2005.

Petitioner has met the requirements to revive the above-identified application pursuant to 37 CFR 1.137(b).

The person signing the instant petition requests a change of correspondence address to the address given in the instant petition. There is, however, no indication that the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. If the person signing the instant petition desires to receive future correspondence regarding this application, the appropriate power of attorney or authorization of agent must be submitted. While a courtesy copy of this decision is being mailed to the person signing the instant petition, all future correspondence will be directed to the address currently of record until such time as appropriate instructions are received to the contrary.

It is not apparent whether the statement of unintentional delay was signed by a person who would have been in a position of knowing that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. Nevertheless, in accordance with 37 CFR 10.18, the statement is accepted as constituting a certification of unintentional delay. However, in the event that petitioner has no knowledge that the delay was unintentional, petitioner must make such an inquiry to ascertain that, in fact, the delay was unintentional. If petitioner discovers that the delay was intentional, petitioner must notify the Office.

This matter is being referred to the Publishing Division for processing into a patent.

Telephone inquiries regarding this decision should be directed to the undersigned at (571) 272-3282.
